Dear Alan,

I am writing you a short personal note to let you know that André Belosselsky has relinquished the post of Head of our Reception Unit. As you know, André has been with the Monitoring Service from the very early days and has contributed in a large measure to its development, but recently his health has given me cause for some concern and largely on account of this a change became necessary.

I am not yet entirely decided on who his successor should be but for the time being at any rate , who has been the deputy for some years, will act as Head of the Unit.

STAT

Yours sincerely,

*John T. Langan*
